

LCRA Family Ice Fishing Derby Registration Form

Saturday, February 26, 2022

10 am – 1 pm

In response to the LCRA's overpopulation of perch, we are hosting a Family Perch Ice Fishing Derby. Unfortunately, the perch have overrun the lake and are starving the trout. Through activities such as this perch ice fishing derby, we hope to encourage a healthier ecosystem for the trout at the lake. We have been stocking brown trout, rainbow trout and brook to eat the perch as an attempt to decrease their numbers.

We look forward to seeing everyone's smiling faces on derby day as we remove perch from the lake to help out our trout population.
