**Multi-Day Summer Camp Package:                    \$400/day (plus GST)**

Available for any bookings over 1 day in duration, this package includes the following items:

- Usage of the Function Room/kitchen for the entire duration of the camp/program (includes overnights).
  - Includes storage of any items overnight in the Function Room/kitchen.
- Usage of up to 1 outdoor area for the entire duration of the camp/program.
  - Requirement of additional area(s) will be subject to additional hourly charges.
- Additional on-site storage space as needed (client must provide own lockable storage units).
- Daily early access to the facility at 8:00am (regular open time is 9:00am) for preparation/setup.

This booking is our most recommended package for summer camps; it provides ample storage options, as well as a backup space (Function Room) if weather conditions restrict outdoor activities.

Outdoor areas available for booking include the Top Pad, fishing area, section of the beach, or other greenspaces as approved by LCRA management.

**Hourly/Daily Function Room Booking:            \$45/hour; \$450/day (plus GST)**

Applies to bookings requiring only hourly/daily usage of the Function Room; includes the following:

- Usage of the Function Room/kitchen for the duration of the selected hours.
  - A full-day booking includes usage of the space from 9:00am – 10:00pm.

This option does not include overnight usage of the space, on-site storage options, or early access for move-in/setup. Move-out must be completed by the end time of the booking.

**Hourly Outdoor Space Booking:                    \$20/hour/area (plus GST)**

Applies to bookings only requiring hourly usage of outdoor area(s); includes the following:

- Usage of the selected outdoor area(s) for the duration of the selected hours.

This option does not include overnight usage of the space, on-site storage options, or early access for move-in/setup. Move-out must be completed by the end time of the booking.

Outdoor areas available for booking include the Top Pad, fishing area, section of the beach, or other greenspaces as approved by LCRA management.
